VACUUM CUP TIRES

We carry these tires because of their wonderful quality—the same high quality that is characteristic of our entire stock of accessories.

We carry them because they are *guaranteed three ways* to serve our customers faithfully and long:

1. Not to skid on wet, greasy pavements, else—after reasonable trial—returnable at full purchase price.
2. Not affected by contact with oil and grease.
3. To roll up a minimum—per warranty tag attached to each casing—of

6,000 Miles

Here are the present prices. After January 1, 1917 prices will be 20 per cent above these.
